Potassium cyanide
- Cold mining

Potassium carbonate
- Chocolate preparation
- Crop protection
- Fire suppressant
- Welding

Potassium formate
- De-icing agent

Potassium benzoate
- Food preservation

Potassium acetate
- Fertiliser
- Food additive
- Pharmaceuticals
- De-icing agent
- Fire extinguishers
- Catalysts

Potassium bromide
- Pharmaceuticals
- Food additive
- Non-alcoholic drinks

Potassium phosphate
- Paints
- Adhesives
- Food additive
- Fertiliser

Potassium silicate
- Cosmetics
- Welding electrode
- Fire suppressant

Potassium sorbate
- Personal care products
- Food preservation
- Food additive
- Wine preparation

Potassium glutamate
- Wine preservation

Potassium gluconate
- Food additive

Potassium lactate
- Fire extinguishers
- Food additive
